BURSARY CRITERIA FOR PEI COMMAND – THE ROYAL CANADIAN LEGION

PEI Command supports a bursary program for eligible students within the Command. All Branches of the RCL also have Bursary Programs, which you may also apply for. **The criteria for Command Bursaries are as follows:**

1. The Provincial Command of the Royal Canadian Legion has established a bursary program which will make available annually five separate bursary awards in the amount of \$1,000.00 each, to be awarded to select worthy applicants.
2. These bursaries are awarded to assist young men and women in acquiring postsecondary education.
3. Post-secondary education is defined as any type of education beyond Grande 12 including academic, vocational, and technical forms of training that normally require Grade 12 standard as a pre-requisite. In certain types of vocational and technical training the Grade 12 requirements might be waived at the discretion of the selection committee.
4. These bursaries shall be open to all worthy applicants residing within PEI – Command - The Royal Canadian Legion, who are children, grandchildren or great-grandchildren of **veterans presently serving or retired from the Canadian Forces or RCMP**. These bursaries are only open to students attending their first year of post-secondary education.
5. In the selection of successful candidates, **need shall be a primary consideration**. Academic attainment and natural mechanical or artistic aptitude will be important considerations.
6. Administration of the bursary shall be under the Leadership and Development Committee.
7. The Leadership and Development Committee shall meet annually in the month of May to review all applications received and to select the five successful candidates.

8. The bursary recipients will be announced in the month of June during graduation exercises where possible.

9. The bursaries will be awarded conditionally, in that, the successful candidate must attend a Post-secondary institution. The bursary funds will be forwarded to the education institution of the candidate's choice, in the candidate's name during the month of August. Candidates not attending a post-secondary institution, forfeit the bursary.

Official transcript from last academic year, and summary of extra-curricular & community activities must both be attached. **All information will be kept CONFIDENTIAL by the PEI Provincial Command**
