MESSAGE FROM PREMIER MACLAUCHLAN

It is indeed a pleasure to extend warm congratulations and best wishes to the Royal Canadian Legion on the occasion of the publication of this twelfth edition of the Military Service Recognition Booklet.

Islanders have had a long and proud tradition of responding to the call of duty both in times of peace and in conflict. This annual publication recognizes the importance of paying tribute to those who responded to our country's needs, ordinary citizens who have made and continue to make extraordinary sacrifices to safeguard our peace.

Let us continue to honour the memory of those who have gone before us and support those who continue to ensure the freedom we enjoy today.

Message from the President

This year on the 8th May, 2015 marked the 70th anniversary of the formal acceptance by Allies of the World War 11 of Nazi Germany's unconditional surrender of its Armed Forces. This was declared a public holiday and has come to be known as V-E Day. 2015 is the 200th Anniversary of the end of the War of 1812 which ended on the 24th December, 1814 with the Treaty of Ghent. However this news did not reach North America until February 1815, thus 200 years ago.

We must not forget those that suffered and are still suffering from the effect of the atomic bombing of Japan in 1945, which ended the war in the South Pacific. On the 11th September, 1995 HMCS Charlottetown (CPF) was commissioned here in the Charlottetown Harbour. This date was to honour the torpedo attack of the first HMCS Charlottetown by a German U boat in the Gulf of St Lawrence.

It is now four years since Canadian Military departed the War in Afghanistan. Let's remember the many military personnel that returned and may we never forget those that did not return from all of Canada's conflicts, whether in Peacekeeping, UN, NATO, NORAD or of any and all deployments whether at sea, land or in the air.

The Prince Edward Island Command of The Royal Canadian Legion and its Executive Council wish to convey their appreciation to the members, staff and the Ladies Auxiliary of The Legion. We at Command wish to extend our thanks to all who provided pictures and information and those who provided assistance for information on our Veterans.

It is through the strong efforts of this booklet and our organization that we will continue our strong community support to develop and fund programs for our Veterans, seniors and our youth.

"We will remember them." - « Nous nous souviendrons d'eux. »

Message from the Lieutenant Governor

From far and wide, young and old, Canadians know the great debt of gratitude our nation collectively and we as individuals owe to the men and women who served in times of both conflict and peace. Our great country has been shaped by selfless service and we remember you, our veterans, and your comrades who gave the supreme sacrifice or have left us since war's end.

We can never do too much in recognition and remembrance for the men and women who served in Canada's armed forces, merchant marines and as nursing sisters. This booklet puts forward many faces and names of the last century. In these pages, you see people who represent service, sacrifice, valour, honour, loss, hope, justice, victory and free will. In their memory and to their never-ending dignity, read their names and be one more person who remembers, for them, for us, for Canada.

On behalf of Her Majesty Queen Elizabeth II, I express deepest gratitude and commitment to remembrance to each one, and to those whom they loved and loved them in return.

A handwritten signature in black ink that reads "H. Frank Lewis".

Dear Canadian Veterans,

Thank you for your willingness to defend the rights and freedoms of all Canadians. Because of your sacrifices and achievements, we are able to live in a land of peace and freedom.

Your courage offered a sense of hope to Canadians when we needed it most. It is that same desire to extend compassion that motivates us to restore dignity in Canada's most vulnerable.

Let Us Not Forget

On behalf of the Government of Prince Edward Island,

I am honoured to pay tribute to the contributions of the Prince Edward Island Command of the Royal Canadian Legion and the veterans who have served, and continue to serve, our country with great distinction.

The men and women in the armed forces brought hope where there was despair, justice where there was chaos, freedom where there was oppression and peace where there was violence.

We must never forget their legacy.

MacDONALD, John Andrew 

WWI & WWII

John was born in Gloucester, Massachusetts. He joined the 105th Battalion and transferred to the 26th Battalion, Canadian Expeditionary Force in WWI. He and his brother Fabian went overseas from Valcartier, QC to Aldershot, England, where they were separated. John served in England, Scotland and France and was wounded in the leg by shrapnel. While on leave in Scotland, the brothers met by chance and were overjoyed to see each other because each had received word that the other had been killed. After his discharge in 1918, John lived in the US and later settled in Cable Head and married Matilda MacKinnon. When WWII broke out, he joined the PEI Highlanders and served in Canada until his discharge in 1945. John passed away on December 29, 1962.

MacDONALD, Norman David 

WWI & WWII

Norman was born in St. Peter's Bay. He enlisted in the 105th Battalion, Canadian Expeditionary Force, in the 43rd Division of the Cameron Highlanders, Winnipeg in July 1916. Norman went to Arras, France and was wounded in the arm on his first time over the Arras-Cambrai road. He was prevented from a second injury to the stomach by his gas mask, which he thinks possibly saved his life. The Canadians captured the Queant Line. Norman's contingent captured the town of Mons and each man received a medal from the mayor of the town. He returned to Canada in May 1919 and received the British War Medal. He also enlisted in WWII and served in Charlottetown.

The Staff and Residents at the Dr. John M. Gillis Memorial Lodge would like to commend The Royal Canadian Legion on this Military Service Recognition Booklet - Volume Twelve.

It is significant that we remember the mission of The Royal Canadian Legion in years to come. It should remind us of the great sacrifices many men and women made in order to protect our great country during times of war.
