

Message from The Lieutenant Governor

On behalf of Her Majesty the Queen, I am pleased to extend warm greetings in this special commemorative booklet dedicated to those veterans from Prince Edward Island who served in World War 1, World War 11 and the Korean War.

Islanders have always had a long and proud tradition of serving when called upon; their sense of duty and service toward their country and their sacrifice for the cause of freedom has been truly outstanding. We all have been inspired by their heroics and this publication is one way of recognizing their contribution during wartime.

Congratulations to The Royal Canadian Legion on this publication and continued best wishes in all your endeavours.

Lieutenant Governor of Prince Edward Island

Message from The Premier

On behalf of the Government of Prince Edward Island, I would like to extend my best wishes to The Royal Canadian Legion on the production of this War Recognition Booklet.

The Royal Canadian Legion provides a valuable service in support of veterans and their families, and to ensure that the cause of freedom is never forgotten. This service, in our communities, to veterans, our youth and the elderly of this province is greatly appreciated.

All Islanders gratefully acknowledge your endeavours and may you continue to improve the quality of life for Islanders.

Sincerely,

A handwritten signature in cursive script, reading "Pat Binns".

Pat Binns
Premier of Prince Edward Island

Message from The President

On behalf of the Executive Council, staff, Ladies' Auxiliary and Members of Prince Edward Island Command, The Royal Canadian Legion, thanks to all who made this, our second Commemorative Booklet, a reality. Revenue from the production of this booklet will ensure that P.E.I. Command can carry on with our Veterans', Seniors' and Youth programs into the future.

Thanks to the Legion Branches and individuals who provided pictures for the booklet. This will bring back memories and ignite friendships, old and new.

To the many Canadians who so willingly went to war and sacrificed their lives, and our veterans who were fortunate enough to return, we can never thank you enough. We also thank our peace time service men and women who have served and are still serving now around the world so we can enjoy the life we have today in Canada.

At the going down of the sun and in the morning, we will remember them.

A Song For The Brave written by John A. MacLean in appreciation to the men and women who served their country.

A Song For The Brave

To the heroes that we owe for our freedom
Who fought and died in a land across the sea
Brave young men and courageous young women
They answered the country's call for you and me

Good men died out on the field of battle
And in the battles upon the raging sea
Those brave men that gave all they had to give
So the people could live in a land that's free

Gave up their youth and their prime for this country
left their homes and the people they loved so dear
Those that returned had to live with tragic memories
of the hardship, and the death, and of the fear

Good men died out on the field of battle
And in the battles upon the raging sea
Those brave men that gave all that they had to give
So the people could live in a land that's free

Good men died out on the field of battle
