Message from Premier Wade MacLauchlan

*I*t is indeed a pleasure to extend warm congratulations and best wishes to the Royal Canadian Legion on the occasion of the publication of this thirteenth edition of the Military Service Recognition Booklet.

Islanders have had a long and proud tradition of responding to the call of duty both in times of peace and in conflict. This annual publication recognizes the importance of paying tribute to those who responded to our country's needs, ordinary citizens who have made and continue to make extraordinary sacrifices to safeguard our peace.

Let us continue to honour the memory of those who have gone before us and support those who continue to ensure the freedom we enjoy today.

Wade MacLauchlan

Message from the President

Let me begin by thanking all those that have contributed with pictures and short biographies for this important booklet. Your contributions will help to ensure that our Veterans shall be remembered for many years.

We at the PEI Command of The Royal Canadian Legion and its Executive Council want to thank all that have contributed to the making of this booklet. If not for your support, and that of Fenety Marketing Services, we would not be able to produce these booklets.

In this year 2016, let us remember that 90 years ago, The Legion was formed. By the end of World War 1, there were a total of 15 Veterans groups and a number of regimental associations representing former service members in Canada. Despite their common goal – to help returned servicemen in need – their efforts were fragmented and largely unsuccessful. In 1925, an appeal for unity led to the formation of the Dominion Veterans Alliance. The Legion was founded in November of that year in Winnipeg, Manitoba as The Canadian Legion of the British Empire Services League (BESL). It was incorporated by special Act of Parliament, Charter issued in July 1926.

During a cold February night, during World War 1, our Canadian Parliament Building in Ottawa caught fire and burned. The only exception was the Parliament Library. Centre Block was completely destroyed and seven people died on this night. Rumours were rife that the fire was caused by enemy sabotage, but a Royal Commission into the fire concluded that it was accidental, caused likely by an unattended candle.

Let us remember all who did not return and those that have served and are suffering from the effects of conflict whether physical or mental. It is through your contributions in support of this booklet that The Legion is still able to assist and fund programs to support our Veterans, seniors and youth.

Thank you.

“We will remember them.” - « Nous nous souviendrons d’eux. »

St. Anthony's Legion Branch #27 Cenotaph was built in the early spring of 1995 by Comrade James Hudson, a stone mason and WWII Veteran, who was 78 years old at the time. It was built using New Brunswick granite with concrete footings 5 feet in depth.

It was dedicated during a service and parade on May 8, 1995, the 50th Anniversary of V.E. Day.

In the early morning hours of May 8th a spring storm dumped 15cm of snow in the area and a tractor and blower had to create a path to the Cenotaph for the parade and service.

*Message from the
Lieutenant Governor
of Prince Edward Island*

*O*ur nation, Canada, would not be the free and deeply admired country it has become without the men and women of Canada's armed forces, merchant marines and nursing sisters. Their sense of duty, commitment to the cause, and bravery in the face of certain danger entered the soul of our entire country. Their legacy remains and we all, comrades and civilians, young and old, are grateful to those who served in times of conflict and peace.

It is peace we want, and in our pursuit of peace in our time, we are saying to you, our veterans and to everyone, we remember the supreme sacrifice of so many and the service of those who have left us since wars' end. In our remembrance, we say, Rest in Peace.

Throughout these pages, you can see people who represent service, sacrifice, valour, honour, loss, hope, justice, victory and free will. In their memory and to their never-ending dignity, read their names as an act of remembrance and appreciation of them.

As I am entrusted to do, on behalf of Her Majesty Queen Elizabeth II, please accept my thanks to those who have done their duty in preparing this book of recognition and to all of you who read it. We remember them.

Sincerely yours,

A handwritten signature in cursive script that reads "H. Frank Lewis".

Honourable H. Frank Lewis
Lieutenant Governor of Prince Edward Island

Dear Canadian Veterans,

Thank you for your willingness to defend the rights and freedoms of all Canadians. Because of your sacrifices and achievements, we are able to live in a land of peace and freedom.

Your courage offered a sense of hope to Canadians when we needed it most. It is that same desire to extend compassion that motivates us to restore dignity in Canada's most vulnerable.

Lest We Forget

On behalf of the Government
 of Prince Edward Island,

I am honoured to pay tribute to the contributions of
 the Prince Edward Island Command of the Royal
 Canadian Legion and the veterans who have served, and
 continue to serve, our country with great distinction.

The men and women in the armed forces brought
 hope where there was despair, justice where there
 was chaos, freedom where there was oppression and
 peace where there was violence.

*We must never forget
 their legacy.*

The Staff and Residents at the Dr. John M. Gillis Memorial Lodge would like to commend The Royal Canadian Legion on this Military Service Recognition Booklet - Volume Thirteen. It is significant that we remember the mission of The Royal Canadian Legion in years to come. It should remind us of the great sacrifices many men and women made in order to protect our great country during times of war.
