Message From Premier Ghiz

On behalf of the Province of Prince Edward Island, I would like to extend warm congratulations and best wishes to the Royal Canadian Legion on the publication of this seventh edition of the War Service Recognition Booklet.

Islanders have a long and proud tradition of responding to the call of duty both in times of peace and conflict. This particular publication will serve as a lasting legacy to the commitment and dedication of Island veterans who served our country during the two World Wars, the Korean War, and the Peacekeeping and Afghanistan Missions.

Let us continue to honour the memory of those individuals who fought to ensure the freedom we enjoy today.

Message from The President

This is a very eventful year for The Royal Canadian Legion. We have marked the End of an Era with the passing of our last known Veteran of World War I. We have also celebrated the 65th Anniversary of VE Day and the 100th Anniversary of our Navy.

To the many Canadians who so willingly went to war and sacrificed their lives and the Veterans who were fortunate to return, we can never thank you enough. We also thank our Peacetime service men and women who have served, and are still serving, around the world so we can enjoy the life we enjoy today. I also wish to thank all those who have participated in the making of this booklet to commemorate some of our Veterans who have served us so willingly.

On behalf of the Executive Council of Prince Edward Island Command, The Royal Canadian Legion, I wish to express my gratitude to all of those who have made our commemorative booklet a success. Revenues from the production of this booklet will ensure that Prince Edward Island Command can carry on with serving our Veterans, Seniors and Youth programs into the future.

In 2008 the Royal Canadian Legion, Tignish Branch #6, PEI coordinated an effort to plant maple trees to honor Veterans. In 2009 a committee was struck to create a Veteran's memorial garden. With the support of families, community and Legion members young and old, the memorial garden was completed and an official opening took place July 1, 2010. A memorial monument pictured on the front cover was erected in the garden along with an iron gate leading into the garden. The entire effort took hundreds of volunteer hours and was truly a team effort.

Victoria Cross Recipient

Capt. Frederick Thornton Peters

Oran, North Africa
November 8, 1942
Royal Navy

Frederick Thornton Peters was born in Charlottetown, Prince Edward Island, on the 17th of September 1889, son of the Attorney General and the first Liberal Premier of that province. He was educated at St. Peter's Private School, later went to school in Victoria, British Columbia, and from there to Naval School in England. He graduated as a midshipman and three years later he received his commission as a sub-lieutenant. During the First World War he was decorated with the Distinguished Service Order, the first ever given to a Canadian, and the Distinguished Service Cross for gallantry in action. Following the action which won him the Victoria Cross, he was proceeding to England when the plane he was in crashed and he was killed. He has no known grave but his name appears on the Naval Memorial at Portsmouth, England.

Citation

“Captain Peters was in the ‘suicide charge’ by two little cutters at Oran. *Walney* and *Hartland* were two ex-American coastguard cutters which were lost in a gallant attempt to force the boom defences in the harbour of Oran during the landings on the North African coast. Captain Peters led his force through the boom in the face of point-blank fire from shore batteries, destroyer and a cruiser - a feat which was described as one of the great episodes of naval history. The *Walney* reached the jetty disabled and ablaze, and went down with her colours flying. Blinded in one eye, Captain Peters was the only survivor of the seventeen men on the bridge of the *Walney*. He was taken prisoner but was later released when Oran was captured. On being liberated from the gaol, he was carried through the streets where the citizens hailed him with flowers. He won the D.S.O. and D.S.C. in the last war. He was born in 1889.”

TRAINOR, Hugh Charles “Charlie”

- Distinguished Flying Cross & Bar
- Distinguished Service Order

Charlie was born in Charlottetown, PEI on July 17, 1916. He enlisted with the Royal Canadian Air Force in Moncton, NB on February 16, 1940. He trained in Canada and Britain as a fighter pilot and later as Commander of a Canadian squadron. He was awarded the DFC in August of 1944, after shooting down five enemy planes in a short period. By October, he had nine planes and won the Bar to the DFC. He evaded capture the first time he was forced to land behind German lines, but was not so lucky the second time. He was reported missing on September 19, 1944. He was freed in April 1945, and was awarded the DSO for his leadership in commanding a Canadian fighter squadron, which destroyed 385 enemy vehicles in three weeks. Charlie passed away on July 4, 2004.

MacGILLIVARY, Charles Andrew

Harry S. Truman, President of the United States, presenting Charles MacGillivary with Congressional Medal of Honour on August 25, 1945.

- United States Medal of Honour
- Distinguished Service Cross
- Bronze Star
- Purple Heart
- Croix de guerre
- Soldier’s Medal

Charles was born in Charlottetown, PEI on January 17, 1917. He joined the Merchant Marines at age 16. Shortly thereafter, he emigrated to the United States to live with his older brother in Boston, Massachusetts. When living with his brother, he joined the U.S. Army in January 1942. While in boot camp, he was asked if he wanted to become a U.S. citizen. He decided that if he was going to fight for the United States that he should be U.S. citizen.

MacGillivary’s first wartime action came during the Battle of Normandy, landing on Omaha Beach in 1944. From Omaha Beach, he was involved in numerous liberation conflicts throughout France, before reaching Woelfling during the Battle of the Bulge. On January 1, 1945, during this battle, his unit was surrounded by the 17th German Panzer Grenadier Division, MacGillivary, then 27, picked up a machine gun and knocked out four German machine gun nests, killing 36 German soldiers. During this action, he lost his left arm. It was for this action that he received the United States Medal of Honour “for conspicuous gallantry and intrepidity in action at the risk of his life above and beyond the call of duty.”

Charles passed away on June 24, 2000 in Brockton, Massachusetts.

We salute you.

THE FINAL INSPECTION

The soldier stood and faced God,
Which must always come to pass.

He hoped his shoes were shining,
Just as brightly as his brass.

"Step forward now, you soldier,

How shall I deal with you?

Have you always turned the other
cheek?

To My Church have you been true?"

The soldier squared his shoulders and
said,

"No, Lord, I guess I ain't.
Because those of us who carry guns,
Can't always be a saint.

I've had to work most Sundays,
And at times my talk was tough.
And sometimes I've been violent,
Because the world is awfully rough.

But, I never took a penny,
That wasn't mine to keep...
Though I worked a lot of overtime,
When the bills got just too steep.

And I never passed a cry for help,
Though at times I shook with fear.
And sometimes, God, forgive me,
I've wept unmanly tears.

I know I don't deserve a place,
Among the people here.
They never wanted me around,
Except to calm their fears.

If you've a place for me here, Lord,
It needn't be so grand.

I never expected or had too much,
But if you don't, I'll understand.

There was a silence all around the
throne,

Where the saints had often trod.
As the soldier waited quietly,
For the judgment of his God.

"Step forward now, you soldier,
You've borne your burdens well.
Walk peacefully on Heaven's streets,
You've done your time in Hell."

Forget Them Not

We've lined their boots all in a row,
 And amongst them stand,
 The saddest scene I'll ever know,
 Goodbye dear friend, goodbye!
 Through mud and rain and battle blows,
 We cried cursed prayers,
 On blood-soaked clothes;
 And from that wound his life did flow,
 Please stay we begged, please stay!
 There is a time that soldiers know,
 When so many die,
 That the pain and woe,
 Is too much for the mind to hold;
 Roll on your drums, roll on!
 A band of brothers stand in their rows;
 The empty boots still,
 Where a life did grow,
 Our friends have gone, no more to know;
 Remember them always, remember!

The War Time Service Recognition Book of The Royal Canadian Legion Prince Edward Island Command

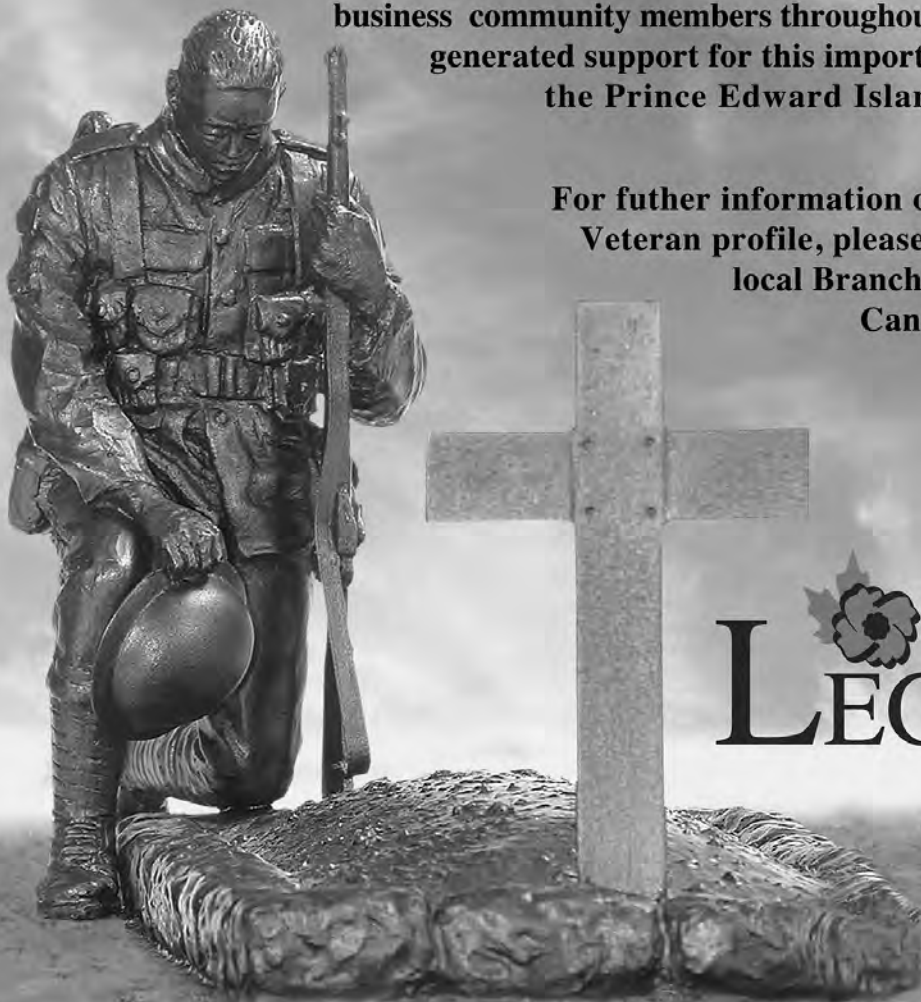

“Lest We Forget”

This annual publication helps identify and recognize many of the brave Islanders who served our Country so well in the past three major world conflicts.

Proceeds from this project are used to support the many community activities of our Prince Edward Island Command Legion, including Educational Bursaries, Cadets, Youth Track and Field, and their ongoing support for Prince Edward Island’s Veterans.

A provincial telephone campaign to private citizens and business community members throughout the province generated support for this important project of the Prince Edward Island Command Legion.

For further information or to submit a Veteran profile, please contact your local Branch of The Royal Canadian Legion.

The Staff and Residents at the Dr. John M. Gillis Memorial Lodge would like to commend The Royal Canadian Legion on this War Time Service Recognition Booklet - Volume Six.

It is significant that we remember the mission of The Royal Canadian Legion in years to come. It should remind us of the great sacrifices many men and women made in order to protect our great country during times of war.
